A modern L-shaped sofa with grey fabric upholstery and dark leather accents is the central focus. It is positioned in a contemporary living room with dark grey walls. To the left, a light-colored side table holds a lamp and a bust. A large window on the right shows a green outdoor space. The floor is made of large, light-colored tiles. In the foreground, a dark blue coffee table with lit candles is partially visible. The text 'TOM II' is overlaid in a red box on the top left, and 'XX71-XX37' is overlaid in a white box on the bottom right.
